ARCHAEOLOGY

The trial trenching has been completed with rather disappointing results. However an ash pit and a post hole were unearthed and a quantity of carbon in two of the trenches. The carbon has been sent for dating and it is hoped that we will have the results during July. The work created a great deal of local interest and information has emerged that is worthy of following up in the near future.

The Friends Seminar PITFOUR: "THE BLENHEIM OF THE NORTH." given by Alex R Buchan was held in the Kemp hall in Old Deer Village and was very well attended. There was a keen and perceptive question and answer session and our thanks go to Alex, seen here with one of his excellent slides, for his presentation

The Joint AGMs

Held this year in the Kemp Hall, Old Deer, on the 6th June it proved to be an interesting afternoon during which several suggestions were put forward by members of the public, and which the new committees will certainly follow up. Folks will hear of the progress in future Newsletters.

After the business was done and dusted, Bill Johnston gave a talk "Bygone days and bygone ways" which was done in a proactive way as most attending could remember the days when the horse reigned on the farm. Well done and thanks, Bill.

Our annual **Pilgrimage** took place on the 20th of June, 2009. The Pilgrims were met by the Revd. Carol Ann Parker who gave the blessing and sent the Pilgrims on their way "In the Footsteps of St. Ethernan." They walked on through Cortes, Fetterangus and the beautiful Pitfour Estate arriving at the Project Room in Aden Park for hospitality provided by Betty and Bunty. George is now planning the 2010 Pilgrimage and we look forward to another super day.

The viewing figures are now back to the levels of 2002-03 which was 40,000 sessions per year. The viewing had dipped to 24,000. Acting on a suggestion made at the A.G.M. we will research the introduction of a children or youth section and thankfully we have been offered some help to do so. Through the "Visitor's Book" we have been able to reconnect some exiles with their roots in the North East.
