

FRIENDS OF THE BOOK OF DEER SEMINAR

Continuing the search for the Monastery, the Friends have organised an *Open Meeting in the Kemp Hall on Saturday, 28th April 2012 at 2 30pm.*

Charlie and Hilary Murray will be there to present and discuss their findings from the digs carried out last September. To engage locals to participate, the Friends will be distributing flyers in Old Deer and Stuartfield asking them to come along and bring with them any objects they have found, along with photographs and anecdotes to share with us. There is more information in the attachments.

The company involved in filming the Project's activities have been granted our permission to use the material on our website in the series, "The Great British Story" with Michael Wood which will be broadcast during April. We will alert you when we have the exact time.

PROJECT ROOM OPENING

We have delayed the opening this year until after the 28th April. When we do open, we will have some exciting new interpretation boards on display. Joyce will circulate a rota as soon as we decide when to open. Anyone who would like to help in the Project Room can get in touch via bookofdeer@yahoo.co.uk, Candidates will have to undergo "disclosure" and a some familiarisation neither which is not at all daunting.
